Discussion about website. Heros needs art assets.

Zola will be running the clothing swap, again, this year.

Pan-Pan wants to host a drag-show.

Previous meeting minutes accepted without reading

Windsong is interested in running panels, including, "Furry Music in the Key of F," and a military-fur panel.

ProGen is willing to run a mountain biking panel/ride. We will need to double check with the park about what trails can be used.

Tracer will not be able to make it this year, so we need people to cover the Event Director duties. Snowmink was shadowing Tracer last year, we will contact him.

Discussion about the conbook. We will contact Warndog about what he needs and how much involvement he is interested in.

Jamie will be making mini soap for all attendees. If sale prices are good, we will also have full-size bars for super-sponsors.

Discussion about moving the dates for the con, in the future. Discussion tabled.
