Zola

Meeting Opened: 8:03pm

Meeting Agenda
Staff update 5-15mins
Gun Range update 5-10
Medical Marijuana Rules 25-30
Open Carry Rules 5-10

Open floor for new items 5-15
Max meeting Time (1hr 20mins)

The new open-carry law in Oklahoma will not go in to effect until November 1st, and thus will not affect us, this year.

We currently have 85 pre-registered.

Shasta has an understudy this year, will be taking over as the new DJ lead, next year. We will be looking into a company that will cover our DJs playing copyrighted music.

Skylor will be handing over the handling of the gun range trip to Hillbilly Hound. There will be no changes to the time or location.

Medical Marijuana is now legal in Oklahoma, and at the park. We will be strictly following the park's rules in this matter. Smoking of marijuana will be allowed only in designated areas, and a valid Oklahoma medical marijuana license, or Oklahoma temporary patient license will be required to be on your person in order to be in the designated areas. Details will be in an updated waiver at registration.

We have solar powered LED lights for the trail down to the fire pit.

We have a company looking in to getting us wi-fi coverage at the campsite in 2020.

Meeting Closed: 9:24pm
