We can get lazer cut acrylic badges, with LED for super-sponsor

Pre-reg numbers are currently looking low. We really need a minimum of 80-100 people to pay for everything for the year. We are currently at 28.

We have approximately \$1200 in the bank

Advertising on FA, and at TFF suggested

It would cost \$25/month for a small banner; \$60/month for medium; and \$75/month for large

Ilari will be at TFF and can set out flyers

Sending out announcement emails has the problem of Microsoft blocking us

Keefur is unable to print the conbook this year

Heros can print it, if we make it smaller this year

Ilari knows of a print shop he can try to get pricing information from

We could really use more staff, there are several key positions that are no longer filled

Zola will look in to hosting a Wild Nights meet and greet at TFF next year

Motion for the officers to come up with a marketing plan for next year to present at the next meeting

Motion passes
