Reading of previous meeting minutes skipped

The Finance Committee does not have a report.

It has been brought to our attention that the husband of our current charity Oklahoma Exotics Rescue has sexual abuse of a minor on his record, from 22 years ago.

Motion that we:

1. notify Oklahoma Exotics Rescue that we will be changing our charity this year.
2. compile a list of alternate charities within 30 days (not including Oklahoma Exotics Rescue).
3. have a vote to select a new charity from the list by the end of March.

Motion Passes

Motion to disallow individuals under the age of 18 at the convention

Motion to table to the next meeting

Discussion about potentially moving Wild Nights to a different, more LGBT friendly state, in future years.

Some members do not feel safe attending the con because of how unfriendly Oklahoma's laws are towards LGBT individuals. Others appreciate the safe place Wild Nights provides. We should find alternate facilities that can suit our needs before we seriously discuss the possibility of moving.

Motion to create an inactive committee for speculation on potential laws that might be passed by political moonbats?

Ammendment to change the wording to Legal watchdog committee, a group to see how laws of the state or park jurisdiction might change how the con needs to be run or where it is run.

Ammendment passes

Motion passes

Motion to adjourn the meeting until March 30th at 1pm
