

MESA Meeting 2026-3-15

Attendance:

Azzy
D2O
Drake Mathis
Heros
Ilari
Nelix
Oda
Panda Squirrel
Spoods
Tor
Travis
Tybron
Vortex
Wild n Woofy
Zola

Meeting Opened: 12:10pm

Previous meeting minutes posted in chat.

We are still looking in to options regarding the art funds from the previous meeting. Zola will be able to talk to some artists at TFF. We could use t-shirt art, and maybe an art print for Sponsors and Super Sponsors.

Getting a CD, or the like, from the current GoH band suggested as an alternative to an art print.

Treasurer report:

We currently have \$3383.19 in the bank, and a \$3400 transfer pending from pre-reg. There is also \$286.76 still in paypal, in case we need to do refunds.

We currently have 43 pre-registered. Estimating 80-120, for this year.

Discussion about potentially moving the convention to another state, due to attendees not feeling safe in Oklahoma, or surrounding states. Moving the needed distance would eliminate the majority of staff.

Discussion about switching from Discord, to another service. Teamspeak 6 noted as an option, but all major services may be subject to the same laws that Discord is preemptively setting up for. Self-hosting a service suggested, but could make us subject to the same laws. Self-hosting would also require us to pay for cloud-services. To avoid online id-checks we could place people in to a limited-access mode until we check their id at the con.

Motion to have the President to create a report on 3 separate alternative platforms to Discord, to be presented at the membership meeting at the con.

Seconded
Motion Passes

One of our attendees, Tor, donated a 60-cup rice-cooker to the kitchen.
There is now a Restaurant Depot in Tulsa.

Next meeting scheduled for April 19th at noon.

Meeting Closed: 1:28pm
